

WHAT'S HAPPENING in MISSIONS

Upcoming Events

Soup & Sending Cookoff

September 15, 2024

Join us as we learn about missions at Sojourn East and enjoy soup together. We'll hear about the trips that our church took this summer to work with our various missionaries around the globe and to learn about upcoming opportunities to partner with Sojourn East and their missionaries.

We enjoyed pancakes together in the spring to raise money for these trips so to round it out in this fall season, we'll gather together for our second annual soup and chili cook-off. We will have judges to award the best in their categories, you don't want to miss out!
